# Endorsing Day

Stacy, N.C.

February 20, 2020

TO THE EDITOR:

I know everyone has heard the old saying if you can't say something nice, don't say anything. Well, I try to live by that rule. Often times, I do not comment on things because I know I cannot say something nice. Tonight I would like to share something nice. I want to publicly endorse Travis Day for re-election for the district four school board seat.

I was elected to the Carteret County School Board in November 2018, and what a learning experience it has been for the past year. Travis Day has been a great asset to the current board; if he is not studying spreadsheets or analyzing information he is asking good, hard questions for the betterment of all children.

Thursday, February 27, there will be a free meet and greet at Southern Salt restaurant in downtown Morehead City from 5:30 to 7:00 pm. I invite everyone to come out and meet Travis. He is a nice person, a conservative, a school of business professor who supports partisan school board elections. I also support Jerry Buttery, another conservative who is running for the district two school board seat; he will be at the meet and greet on the 27<sup>th</sup>. Please come out meet the candidates.
